

**Tary Carlson,**  
**LEED™ AP**  
**Sr. Project Manager**

## Experience

Tary has been with inici group since 2003 and has over ten years of experience in the construction industry with both public and private projects, including hospital, research, public assembly, detention, educational buildings and warehouses.

Tary's skills were fine tuned as an owner's project manager working on the project management and commissioning team at the Oregon Convention Center during its \$116 million expansion, which was completed in Spring 2003. In the Fall of 2003, OHSU tasked Tary with developing and implementing a prototype commissioning program which has been used on five projects for OHSU.

Tary has a Bachelor of Science Degree in Construction Engineering Management with a minor in Business from Oregon State University.
